### **C. SUPERINTENDENT'S REPORT – Mr. David M. Danhoff, Superintendent**

I want to thank the Lakota Board of Education, administrators, teachers, and support staffs for the tremendous support that I received during my year at Lakota. We had a fabulous, benchmark year. You answered the challenge of raising test scores and we made a significant change in the attitudes of our students. I will be forever grateful for the opportunity to have served you as your Superintendent.

The Lakota Local Schools are in great shape both financially, and academically as well. We have solidified two year contracts for both the certified and classified associations and this is a definite plus for the future. Hopefully, on this year's grade card, the Lakota Local Schools should grade out in the 20's which is a significant improvement over the grade of 16 which we had a year ago. You have worked hard and worked well together to make that happen. I would like to sincerely thank you for those efforts. The key is to continue improving and making every attempt to best meet the needs of all of our students. You are making a difference and I am so very proud of you for the efforts and dedication of our staff members.

I am truly sorry for leaving but I have an opportunity to return to the Sandusky City Schools where I have a history of being a past teacher and coach. I will be working with Dr. Eugene Sanders, former Superintendent of the Toledo and Cleveland City School Districts and he has made me his Chief of Staff and Transformation Officer. This will allow me the opportunity to help run the district but be removed of being in the spotlight continuously. I have had 22 years of being a Superintendent and it has all been a blessing. This was simply an opportunity that I could not refuse. I wish you continued successes and nothing but the best for you and the Lakota Local Schools. It has been my honor and pleasure to work for you. I will miss all of you very much. Take care.
