# LAKOTA LOCAL SCHOOLS

August 2012

Mrs. Heimlich speaks at the Dedication Ceremony in 2011

## CONGRATULATIONS ON YOUR RETIREMENT MRS. HEIMLICH

The Lakota Local School Staff and Community would like to give our heartfelt thanks to Mrs. Heimlich for everything she has done for our school district during her time as Principal and Superintendent here. On July 9, the Lakota Board of Education presented her with a retirement blanket, flowers and a lifetime pass to return anytime with a guest to all events here at Lakota to thank her for her eight years of service. Mrs. Heimlich started out as a Principal at the former Lakota Central and Lakota West buildings in 2004. She then became the Superintendent in 2006. During her time as superintendent, she will be fondly remembered as the Administrative Leader who took on the huge responsibility of over-seeing the construction of our beautiful new facility. Mrs. Heimlich attended construction meetings every week to make sure everything was going smoothly and that everything was being constructed according to plan. Everyone could tell how much she loved her "Lakota family" and her "kidders", as you would see her at nearly every school concert, sporting event and school play. A quote from Board President, Mr. Chris Chalfin says it all, "You are welcome to return anytime to see your name on the wall here at Lakota. Without you, we would not have accomplished this". Best wishes Mrs. Heimlich, as you start your retirement. Your "Legacy" will live on for many decades to come. Thank you from the bottom of our hearts!

## DAVID DANHOFF NAMED AS SUPERINTENDENT TO REPLACE MRS. BECKIE HEIMLICH

Every ending brings a new beginning. Mrs. Beckie Heimlich has completed her eighth year with the Lakota Local Schools, two as the Elementary Principal and six as the Superintendent. Mrs. Heimlich did a great job and will be greatly missed. She did an outstanding job of orchestrating the building of a state of the art facility that will serve the people of the Lakota district for the next seventy years. Congratulations, Mrs. Heimlich, on a job well done!

The beginning of the 2012-2013 school year is quickly approaching. My name is David Danhoff and I have recently been named as Superintendent to replace Mrs. Beckie Heimlich. I have been a Superintendent for over 20 years and have had very successful stints at Mohawk Local (3 years), Clyde-Green Springs (8 years), Vanguard-Sentinel Career Center (6 years), and in the last three years with the Willard City Schools. I bring to you a great deal of experience, enthusiasm, and a drive to be the best we can be. We will be working hard to create a tremendous learning environment and one that will help in preparation for the testing process. Our ultimate goal and objective is to raise our test scores and we will be spending our time

devising ways to reach those goals.

The new facility is a tremendous opportunity for our young people to excel and receive a world class education. This facility is second to none and we have no excuses not to provide the best education possible for all students. We need to raise expectations for staff and students and through a hard work ethic we can achieve at a high level. High expectations for all concerned are needed and wanted. Overall achievement must improve and we will work hard to attain this goal.

I am very excited, proud and honored to serve the Lakota Local Schools and I will work hard to raise all levels of services that we provide to the students of Lakota. I am looking forward to meeting all of you and working together to continue our quest to be the best we can be. I want to thank the Board of Education: Chris Chalfin – President, Barbara Lehmann – Vice President, and board members Kurt Brewer, Fred Keith, and Tim Woodruff, for the opportunity to serve as your Superintendent. I am anxiously awaiting the beginning of the 2012-2013 school year. Enjoy the remainder of your summer break and we will see you at the **Open House on Monday, August 27, 2012 at 3:30 – 5:30 p.m.**

## BUCKEYE GIRLS STATE

Buckeye Girls State was recently held at the University of Mount Union, Alliance. Buckeye Girls State is a week-long program designed to educate Ohio's young women in the duties, privileges, rights and responsibilities of good citizenship. By getting involved in the process, BGS delegates learn more about city, county and state government in one week than they will in an entire semester of high school.

Rachel Feick was sponsored by the Albert Bowe American Legion Auxiliary Unit 338 in Bradner. Rachel will be a senior at Lakota High School this year. She is involved in volleyball, basketball, track and cheerleading. She is the daughter of Randy Feick and Jenny and Chuck Holman. ## DRESS CODE AT LAKOTA HIGH SCHOOL AND LAKOTA MIDDLE SCHOOL

In general, school dress should be such that it insures the health, welfare, and safety of students, and it projects a positive image of Lakota students and schools. Dress and grooming will be clean and consistent with health and safety requirements for the enhancement of the educational environment. Dress and grooming will not disrupt the teaching/learning process nor detract from orderly school climate.

- Student apparel may not be offensive or promote hostility based on race, religion, gender, or ethnicity.
  - Clothing with offensive illustrations is not acceptable. School officials reserve the right to make recommendations for changes in the dress and grooming of students.
  - Clothing or jewelry that promotes alcohol, drugs, tobacco or gang identification; that contain profanity/vulgarity; or that suggest sexual or pornographic activity are prohibited.
  - All shirts must have sleeves and be able to be tucked in. Shirts that are provocative or that contain sexual undertones (for example: girl in bikini, or picture that accentuates male or female anatomical features) are prohibited. (e.g., no "Hooters" shirts) Halter tops, tank tops, sleeveless tops, transparent clothing, and exposure of bare midriffs are prohibited. Short shorts, short skirts, spandex shorts, and **pants with holes are prohibited. Short and skirt length must be at the top of the knee or longer. Shorts are permitted from the first day of school until October 1<sup>st</sup>. Shorts are permitted to be worn again after April 1<sup>st</sup>. Pants must be worn at the waist. The waist is defined as the area between the rib cage and the top of the hipbone. Exposed undergarments are prohibited.**
  - Pajamas, robes and blankets are prohibited.
  - Book bags, large purses (defined as any bag that can hold a book), briefcases, duffel bags, or other similar items must be in student lockers during the school day and are not to be taken to classrooms or carried in hallways other than when entering/leaving the building or going to gym class.
  - Gym shoes that are only worn inside are required for physical education.
  - Slippers, shoes with cloth soles, or shoes with wheels are prohibited.
  - Pocket or wallet chains, spiked bracelets, necklaces or earrings are prohibited.
  - Hats/bandannas or other head apparel, sunglasses, and coats are prohibited during school hours unless prescribed.
  - Spikes or cleats are prohibited in the building at all times.
  - Earrings/stud earrings and other jewelry should be appropriately worn. (e.g., some earrings that may be appropriate in a classroom setting may not be appropriate in a gym class) Students found in violation of the dress code will be asked to change clothes. If a student does not have a change of clothes, the student's parents will be called to bring in a change of clothing. If the student's parents cannot be reached, the student will spend the day in the office.
- The responsibility of enforcing the dress code belongs to all students, parents, and faculty members, but it ultimately belongs to the principal. In questionable situations, the administration will have the right to decide what is acceptable and unacceptable dress or appearance.

# MIDDLE SCHOOL

## From The Desk Of Mr. Norm Elchert

Principal at Lakota Middle School

I hope everyone is enjoying their summer vacations with family and friends. The summer is flying by and school will be starting soon. We are looking forward to starting our second year at our wonderful facility.

Last year at the Middle School, we had a Formal Dance for 7<sup>th</sup> & 8<sup>th</sup> grade students near the end of May. The students were well behaved and had a great time. Our students also were rewarded for good behavior during the last day of school by participating in fun games out at the football stadium and having a cookout. We also had a talent show take place during the morning of the last day of school. I was very impressed with all of the students who performed.

In looking at the start of next year, please make sure to review the dress code and school supplies list before going shopping. Anyone participating in fall sports needs to be sure to have all required paperwork filled out and ready to go for your first practice. We look forward to seeing everyone on the first day of school. We will pass out schedules at Open House and go over all of the rules on the first day of school.

Have a great rest of the summer and I will see you at the Open House on August 27th!

## Search For Students With Disabilities

School districts across the state of Ohio are participating in an effort to identify, locate, and evaluate children from birth through 21 years of age who may have disabilities. Schools search for children having such conditions as hearing impairment, visual impairments, speech or language impairments, specific learning disabilities, emotional disturbances, autism, multiple disabilities, mental retardation, other health impairments, and traumatic brain injury. Public schools are required and are committed to the provision of a free and appropriate public education, regardless of the child's disability. Many children with disabilities are not found to receive and address their needs until they reach school age. These children may not be visible as a part of the mainstream community, such as children of homeless families or migrant families. Also, unidentified children with disabilities are often preschoolers. Parents may not be aware their child has a disability or that there are programs and services available.

Lakota Local Schools is interested in meeting the needs of children with disabilities. If you have or know of a child who may have a disability, please contact Tracy Foos, who is the Special Education Supervisor at Lakota at 419-986-6650 or tfoos@lakota-sandusky.k12.oh.us.

## Mr. Brickman's 8th Grade Math Room:

In preparation for the OAA tests, Mr. Brickman's 8th grade students participated in "SPORTSWEEK". The five games that we played were basketball, bowling, baseball, hocker (combined hockey and soccer), and the pentathalon. They also added a 6th day this year and the event for that day was soccer. During the games students were required to answer questions correctly for the chance to score more points by doing the related sports activity.
