

Sweeten your Summer

Join us for ...

Raider Reading Club

Who: Students finishing Kindergarten, 1st, 2nd, or 3rd grade

When: June 4th through July 31st

What: The purpose of our club is for your child to continue using the reading skills they have learned during the school year. As your child keeps reading over the summer months, they will gain confidence in their ability, as well as have the chance to enjoy many different types of stories. Please read about the two choices you have for Raider Reading Club.

Online reading club...We will be using www.kidsa-z.com for any online readers.

This website also has an application to use on a **Tablet**. Each student will have over 24 book titles to choose from at their specific level. After reading each book, students will take a quiz to check for understanding. As each task is completed, the students earn stars and then use them to customize their own robot or fill their rocket room with supplies. Teachers will monitor their progress on the website and be able to offer words of encouragement. Lakota pays for this subscription and will be providing you with log-on information before school ends.

Paper book reading club... If you do not have internet access at your home, you can choose the paper books, which are selected specifically at your child's reading level, to participate in the Raider Reading Club. We will send the 8 books home with your child, along with a comprehension packet at the end of May. The comprehension packet is easy to follow. It also provides some games, writing activities and vocabulary practice.

The Lakota Staff asks that if you decide to participate in the Raider Reading Club, you honor your commitment throughout the program. Depending on your child's age, you should decide the length of time to spend on reading each day. Record the books read or the amount of time spent on reading throughout the week. We enjoy providing a resource for your child, but we are disappointed when the books are not read or no time is reserved for the Reading Club. The success of the program depends you. We sincerely hope that if you sign your children up and you make the commitment toward success!

We will celebrate on August 6th with ice cream sundaes!

Hope to see you at 11:00 in the auditoria!!
