LAKOTA LOCAL SCHOOLS

August 2018

SUPERINTENDENT'S MESSAGE

From the Desk of Dr. Chad Coffman

I would like to welcome everyone to the 2018-2019 school year. I hope everyone had a restful and enjoyable summer. It feels great to have completed a year as Superintendent. I have enjoyed meeting all of the positive and supportive members of the Lakota community. I look forward to another great year and most importantly, I look forward to welcoming the students back to school.

Thank you to all of the staff members who were here over the summer for all

of their hard work. The offices are ready for the start of school and the building and grounds look great. The focus of the year is to continue to provide an excellent education for all of our students. In addition, we will continue to support the social and emotional needs of our students and provide support to ensure all of our students are career ready upon graduation. If I can ever be of assistance, please do not hesitate to call.

KONAS FOR OUR CANINE, LANSBURY!

Once again, we will be providing the KONAS FOR OUR CANINE fundraiser at our OPEN HOUSE. The Kona Ice entertainment vehicle will be parked in front of Lakota Local Schools from 3:00 p.m. - 6:00 p.m. on Thursday, August 16th. They will offer 50 different specialty flavors of shaved ice or customers can add their own flavors to their Konas. The sizes and prices are as follows:

Klassic	\$3.00
King	\$4.00
Color Changing	\$5.00
Kowabunga	\$5.00

*Note: Both of the \$5.00 cups are souvenir cups. If you have previously purchased a souvenir cup, you may bring it with you and obtain a refill for \$3.00.

Proceeds for the fundraiser will support the care and programming for our exceptional and lovable school therapy dog, LANSBURY. Lansbury will also be in attendance at the Open House to welcome all of his special people back for a new school year. Please be sure to look for him and give him a hug!

Tuesday, August 28, 2018

IMPORTANT BACK TO SCHOOL INFORMATION ON PAGES 4 & 5

Are You Interested In Being A SUBSTITUTE AT LAKOTA?

The Lakota Local Schools are now taking applications for substitutes for the 2018-2019 school year. The positions that are available are: certified teachers, cooks, custodians, aides, cashiers, secretaries and bus drivers. Training and support will be provided to help you succeed. If you are interested, please call Ginny Nusbaum in the Board Office at 419-986-6650, extension 4301.

COMMUNITY WEIGHT ROOM

The weight room will be open beginning September 4, 2018. The hours of operation will be from 6:30 p.m. to 8:00 p.m. on Tuesdays and Thursdays. The Community Weight Room is open to the public for adults living in the district. Treadmills, elliptical machines and bikes are available to use. The weight room is located to the east of the main gym. Follow the hallway back past the locker rooms to the corner of the building.

OPEN HOUSE

Thursday, August 16

New families to Lakota
3:00-4:00 p.m.

General Open House
4:00-6:00 p.m.

RAIDER FOOTBALL CHICKEN DINNER FUNDRAISER

Friday, Sept. 14th, 4-7pm
Lakota Auditoria

Dinners include: 1/2 chicken, baked potato, green beans, roll with butter, pie, utensils with napkin and hand wipe
Tickets: \$10.00 per dinner.

You can purchase your tickets in the Lakota High School or Middle School Offices. There will also be a limited number of "drive-thru" dinners available without pre-purchase of tickets, but FIRST COME, FIRST SERVED!

The Lakota Raider Fullbackers Parent are sponsoring the 2nd Annual Chicken Dinner fundraiser to help support the Raider football program. Funds help defray the cost of equipment, gear, weight training program, camp costs and other expenses.

Please join us in building a strong Lakota Football program and support our athletes and coaches.

Project MORE *** VOLUNTEERS NEEDED ***

We need your help for the 2018-2019 school year!

Lakota Elementary has a mentoring program known as Project MORE. This program uses community members to help children learn to read. Therefore, we are in need of volunteers to help make this program a success! If you are interested please keep us in mind!!

Project MORE (Mentoring in Ohio for Reading Excellence) is a volunteer reading mentoring project, designed to improve reading for students. This program has demonstrated significantly improved reading results.

Each Project MORE student receives 30 minutes of mentoring four times per week. We need volunteers to work with students one hour per week or whatever works in your

schedule. By volunteering one hour per week, you will be helping students improve their reading skills. Your personal attention can help each child gain the self-confidence he or she needs to become a better reader as well as a better student.

We will hold a training in September for those that are interested in volunteering. This program is so easy that anyone can volunteer! You will be using engaging and fun materials. All you need to do is show up; all the materials will be ready for you each day!

If you are interested in volunteering during the 2018-2019 school year, please e-mail Mrs. Sayre at asayre@lakotaschools.org or call the school at 419-986-6640.

***Students must be accompanied by an adult.

MIDDLE SCHOOL

From the Desk of Mr. Flanagan

Lakota Middle School Principal

Welcome to the 2018-2019 school year at LMS! I hope that everyone had a relaxing and fun summer. I am very excited to welcome our new 5th grade class to middle school along with our returning 6th-8th grade students. For the 5th grade families, please plan on attending our orientation meeting on **August 16 (night of Open House) from 5:00 p.m. - 5:30 p.m. in the Auditoria.** This meeting will have information that will make the transition from elementary to the middle school less stressful for our new students. All 5th grade teachers will be in attendance along with a packet that explains locker procedures, homework policies, and overall expectations for this year. Afterwards, teachers will be available in their rooms during the remainder of the Open House.

New for this school year are three new classes that will help establish the foundations for our students future college or career readiness. First, our 7th grade students will have a semester of Family Consumer Science and Computer I. In Family Consumer Science, students will learn independent living skills through activities such as cooking and basic sewing. In Computer I, students will learn basic keyboarding, Google Classroom, and Microsoft Office among other basic technology skills. These programs are used at all universities and businesses in the area. In addition, a new elective for the 7th

grade this year called Science, Technology, Engineering, Arts, & Math (STEAM) will be offered. In STEAM, students will be exposed to various cooperative based projects aimed at exposing students to many of the skills that colleges and business owners are looking for in high school graduates. The 8th grade students will also have two new courses; Career Connections and Computer II. These semester courses look to expose students to career explorations and learning how to market themselves once they begin their job search. All of the new classes follow a pathway that will continue in high school. We are very excited about these new offerings which will allow our students to better compete with their peers from other local school districts.

Finally new for this year, the middle school will continue with our Character Education program by introducing a new Student of the Month. Teachers and staff will select one student per grade who exhibits that month's character word. The students will have a display in the school for the month that centers around them. Please look for our "Earning Their Spot" students each month on the Lakota home page and at the middle school's twitter account @lakota_middle.

Again, welcome back LMS students, staff, and families and remember: "It is a privilege to be part of Raider Nation, what will you do today to earn your spot?"

LMS STUDENTS ATTEND THE SUCCESS BOUND INNOVATION FAIRE AT CEDAR POINT

Mrs. Kim Johnson and Mrs. Tasba Floro

On May 11, 2018, fifteen Lakota Middle School students were able to take part in the first Success Bound Innovation Faire at Cedar Point. Students were able to take part in one of two design challenges: CPR3 (working on strategies to reduce, reuse, and recycle) or building a Mars Rover. They were also able to visit two mobile lab spaces. The first was the Fab Lab, with fabrication tools used in makerspaces (CNC mills, 3D printers, and laser

cutters). The second was a zSpace trailer with computer stations showing how 3D graphics can help in various career fields.

Students participating included 8th graders: Jenna Juarez, Cecelia Ellison, Braydon Martin, and Noah Hanson. 7th graders included Ethan Bomer, Carson Hill, Paul Lopez, Mitchell Rosser, Jacob Stuller, Eliza Ebert, Kaiya Mompher, Gaven Rathburn, Trinity Koppus, Simon Rosenberger, and Brooke Trumpler.

IMPORTANT BACK TO SCHOOL INFORMATION

From the Desk of Mrs. Beth Crawford

School Nurse

Welcome Back!

I am looking forward to seeing all of our students again! The start of a new school year is exciting, but it can also be stressful. Practicing healthy habits everyday will help to keep everyone in your family and at our school healthy. So now is the time to start adjusting to the school day schedule which means getting back into a routine of earlier bedtimes and eating a healthy breakfast every morning. Kids need to be healthy to learn and need to learn to be healthy! Let's have a great year at school!

Reminder to all incoming Kindergarten, 7th grade AND 12th grade students: Please make sure your student has received all of the necessary immunizations prior to the start of the school year and remember to submit a copy of their record to school for your student's file. If you have any questions, please contact Beth Crawford RN at 419-986-6640.

Emergency Medical Authorization Cards

At the beginning of each school year, parents/guardians are asked to complete a green Emergency Medical Authorization (EMA) card for each child attending school. Please take an extra moment when completing this card to make sure that you are including all of the information that we may need in the event that your child has an emergency while at school. It is so important that we have current phone numbers, medical conditions, medications and allergies listed for each child. The information on this card gives school personnel permission to act in the case of emergency so please help us to be prepared. Please contact Beth Crawford RN at 419-986-6640 if you have any questions.

School Messenger For Alerts...

Dear Parents/Guardians of Lakota Local Schools,

We believe it is important to communicate with our families. One way we do that is with our instant message system. We are using a company called School Messenger.

The phone numbers and emails that will be used initially are the contacts listed in our student information system. If you would like to be able to change how you are contacted, we will need a current email address in our system. Please send your current email address using the link provided and we will enter that into our student information system. Once your address is in, you will be able to go to infocenter.schoolmessenger.com and create an account that will allow you to add numbers and addresses to your profile. If you have any questions please contact your child's school office.

Click the following link to add or change your current email address: <https://goo.gl/forms/0KYY9hpdXYIMt4PP2>

Information Sheet: Infocenter Introduction

Greetings from the Lakhi Café

We look forward to the beginning of the school year, as it is the time of year for lots of fresh fruits and vegetables. And we look forward to expanding what we purchased last year from our local market, Brubaker's Acres.

We also look forward to seeing everyone at **Open House on August 16th**. As always, we will have an information table and be accepting money for children's lunch accounts.

A reminder for those receiving free or reduced benefits, whatever you received last year, you will automatically be the same for the first 30 days of the school year. Any questions?

Email Michelle Guzman at mguzman@lakotaschools.org or call me at 419-986-6628 or 419-986-6650, extension 3428.

Weather Delays and Closings

In case of bad weather, we now have the School Messenger Alert System in place. You will be notified by phone when there is a delay or closing. You may also check with one of the following radio/television stations for delays and closings.

Television Stations: 11, 13 and 24

Radio Stations: WTTF/WSPD/WTOD, WFOB, WFRO, WFIN, K-100/WKCO

2018-2019 Sports Ticket Prices

- Family Pass - \$250
- Adult Pass - \$100
- HS Student Pass - \$50
- MS Student Pass - \$40 (good for MS games)
- Senior Citizen Individual Pass (age 62) - \$50
- Adult single ticket - \$6
- Student single ticket (K-12) - \$5

Tuesday, August 28, 2018

DRESS CODE FOR HS/MS

In general, school dress should be such that it ensures the health, welfare, and safety of students, and it projects a positive image of Lakota students and schools. Dress and grooming will be clean and consistent with health and safety requirements for the enhancement of the educational environment. Dress and grooming will not disrupt the teaching/learning process nor detract from orderly school climate.

1. Student apparel may not be offensive or promote hostility based on race, religion, gender, or ethnicity.
2. Clothing with offensive illustrations is not acceptable. School officials reserve the right to make recommendations for changes in the dress and grooming of students.
3. Clothing or jewelry that promotes alcohol, drugs, tobacco or gang identification; that contain profanity/vulgarity; or that suggest sexual or pornographic activity are prohibited.
4. All shirts must have sleeves and be able to be tucked in. Shirts that are provocative or that contain sexual undertones (for example: girl in bikini, or picture that accentuates male or female anatomical features) are prohibited. (e.g., no "Hooters" shirts) Halter tops, tank tops, sleeveless tops, transparent clothing, and exposure of bare midriffs are prohibited. Short shorts, short skirts, spandex shorts, and pants with holes, tears, or frays are prohibited. Short and skirt length must be at the top of the knee or longer. Pants must be worn at the waist. The waist is defined as the area between the rib cage and the top of the hipbone. Exposed undergarments are prohibited. Leggings and yoga pants are prohibited unless worn with a dress or skirt that comes to the knee or below.
5. Pajamas, robes and blankets are prohibited.
6. Book bags, large purses (defined as any bag that can hold a book), briefcases, duffel bags, or other similar items must be in student lockers during the school day and are not to be taken to classrooms or carried in hallways other than when entering/leaving the building or going to gym class.
7. Gym shoes that are only worn inside are required for physical education.
8. Slippers, shoes with cloth soles, or shoes with wheels are prohibited.
9. Pocket or wallet chains, spiked bracelets, necklaces, or earrings are prohibited.
10. Hats/bandannas or other head apparel, sunglasses, and coats are prohibited during school hours unless prescribed.
11. Spikes or cleats are prohibited in the building at all times.
12. Earrings/stud earrings and other jewelry should be appropriately worn. (e.g., some earrings that may be appropriate in a classroom setting may not be appropriate in a gym class)

Students found in violation of the dress code will be asked to change clothes. If a student does not have a change of clothes, the student's parents will be called to bring in a change of clothing. If the student's parents cannot be reached, the student will spend the day in the office.

The responsibility of enforcing the dress code belongs to all students, parents, and faculty members, but it ultimately belongs to the principal. In questionable situations, the administration will have the right to decide what is acceptable and unacceptable dress or appearance.

ELEMENTARY SCHOOL

From the Desk of Mrs. Dana Ward

Principal At Lakota Elementary

I am excited to welcome everyone to the 2018-2019 school year, including our new Beginndergarten and Kindergarten students. The elementary had some changes over the summer with the movement of a variety of staff members. With our student numbers in kindergarten being so large we decided to add another classroom that Mrs. Chalfin will teach. Our first grade numbers began to sore so we decided to keep four classrooms. Mrs. Downs will now be a first grade teacher! Mrs. Seif has also moved to second grade this year. Finally, we are very excited that Mr. Yeckley will now be in the elementary as a part time school counselor.

Fall Kindergarten Screening will be held on **Thursday, August 16th from 9:00 a.m. - 10:30 a.m.** Any newly enrolled student **who turns 5 before August 1st** and did not attend our Spring Kindergarten Screening is required to come to this screening in order to attend Kindergarten on the first day of school. Please call the District Office at 419-986-6650 to register.

We are looking forward to our Open

House on **Thursday, August 16th**. New families to our district are welcome to come in from **3:00 p.m. - 4:00 p.m.**, while returning students can join in the fun from **4:00 p.m. - 6:00 p.m.** During this time, families can meet their new teachers, put supplies in desks, sign up for Parent/Teacher Conferences, pay fees, and put money on lunch accounts. There will also be extra exhibits in the gym: bus info, Lakota gear, and sign up areas for various sports.

If you are looking for something fun and rewarding to do in your spare time, we have just the program for you! Project More needs volunteers to read with kids! If you can spare an hour or more, whatever works for you, then we need you! Email Ashley Sayre for more information, asayre@lakotaschools.org.

I am definitely looking forward to the start of the school year and can't wait to see the smiling faces of all of our students on the first day of school. Until then, enjoy the rest of the summer with your students. I'll see everyone back here on the **first day of school, Tuesday, August 28th!**

Beginndergarten News

Mrs. Hammer

Welcome to Beginndergarten! I am truly excited about getting this year started and have a bunch of fun things planned this year. I look forward to meeting all my new students and parents at the **Open House on Thursday, August 16th**. Our supply list is the same as the regular Kindergarten so if you have your child's school supplies by Open House, please feel free to bring them along so your child does not have so much to carry on the first day. Please remember that your child also needs a pair of non-marking Velcro gym shoes and an extra set of clothes that will be kept here at school. I hope you enjoy the last days of summer and I will see you at Open House!

Kindergarten News

Welcome class of 2031! We look forward to meeting all the new students and parents at the **Open House on Thursday, August 16th**. We have an exciting year planned and can't wait to get started. If you have your child's school supplies by Open House, please feel free to bring them along so your child does not have so much to carry on the first day. Please remember that your child also needs a pair of non-marking Velcro gym shoes that will be kept here at school. See you all at Open House!

1st Grade News

Summer fun is ending and time to prepare for the school year. The first-grade teachers are very excited to meet the families of their students at **Open House on August 16th**. Please bring your child's school supplies to the Open House. We suggest this idea so there is less commotion on the first day of school. Please see the supply list on the web site. Please note: pencils and glue sticks do not need to be labeled with your child's name. If your child is not able to tie shoes yet, Velcro tennis shoes would be helpful to buy for gym days. Your child will need headphones to use the Chrome books and the computers in the library. Please consider buying a pair that will hold up throughout the entire school year. The cheaper brands usually do not last.

First graders will be expected to review new skills they are learning at school. Now is an appropriate time to set up a study area in

your home. It should be away from the T.V. and other distractions. Having supplies like pencils, crayons, scissors, glue and writing paper available would be helpful. Also having a basket, box, or 3-ring binder to keep important papers is an effective way to stay organized. First graders will learn so much during the year and the teachers appreciate all the support you can give at home. See you on the **16th for Open House** and the **28th for the first day of school**.

2nd Grade News

It's hard to believe it's almost time for the 2018-2019 school year to begin, but it's just around the corner. We are looking forward to meeting each and every student at the end of August. WE are: Mrs. Blachuta, Mrs. Cline, Mrs. Gonya, and Mrs. Seif. We have been working all summer on fun and exciting activities for in the classroom. Get your thinking caps on and get ready to grow your brain! This year you will begin reading books and taking AR (Accelerated Reader) quizzes to earn points to make it to parties (oh, and win prizes). So, get ready, because we are ready for YOU!

3rd Grade News

Welcome back to school! We are excited to meet our new students and their families. Third grade is a big transition year where students assume more responsibilities. It is also a big year for state testing. Students are required to pass The Third Grade Guarantee to successfully pass onto fourth grade. Teachers and students work with parents to ensure strides are being made in reading, and all subjects, to pass this test. Reading daily helps build the comprehension and vocabulary skills needed to succeed on this test. It is a fact that students at this age are reading to understand, which is different from years past where they are learning to read.

Some new challenges facing a third grader are: multiplication and division, and working more independently. We also look forward to learning about life sciences, earth and space sciences, physical science, history, government, economics, and geography.

We are excited to see everyone at the Open House!

LAKOTA ELEMENTARY 4th NINE WEEKS HONOR ROLL

Second Grade

All A's Honor Roll

Dathan Billiot, Colton Bradner, Mason Brubaker, Zoe Johnson, Krue Kirian, Savannah Monk, Spencer Moyer, Zak Nichols, Aubrey Payne, Carson Quaintance, Alyssa Repp, Madison Roschie, Joel Ruble, Grace Sautter, Elaina Schiller, Piper Shultz, Madison Seedorf, Jacob Stevens, Izabella Thomas, Adelyn Travis, Brenna Walter

4th Grade Update

Students listen and learn about the harsh living conditions and illnesses suffered by the soldiers.

Brock Adams & Alexia Stephenson assist with a demonstration.

The drummers had an important job playing different roll calls to relate information to the soldiers.

The winners of the

2017-2018 4th Grade Spelling Bee: L-R: Lainie Clark, Cayden Bursiek, Lexi Moon

Fourth graders ventured on a field trip to Perrysburg's Fort Meigs on Wednesday, May 30. Costumed tour guides presented information about the War of 1812 and what life was like as a soldier at the fort during this time. Students walked the perimeter of the fort exploring the various buildings and artifacts. They enjoyed a picnic lunch on the grounds before returning to school.

Mrs. Speer hosted the annual fourth grade spelling bee this year on May 31. During class, the students competed for the twenty seats available for the competition. Spelling Bee winners were Lainie Clark (1st place), Cayden Bursiek (2nd Place), and Lexi Moon (3rd place). Congratulations to these three super spellers! Upcoming fourth graders for the 2018-2019 school year are invited to attend the **Lakota Open House on Thursday, August 16, 2018**. Bring your school supplies, meet your teacher, and tour the building! Enjoy a safe, fun summer!

Search for Students with Disabilities

School districts across the state of Ohio are participating in an effort to identify, locate, and evaluate children from birth through 21 years of age who may have disabilities. Schools search for children having such conditions as hearing impairment, visual impairments, speech or language impairments, specific learning disabilities, emotional disturbances, autism, multiple disabilities, mental retardation, other health impairments, and traumatic brain injury. Public schools are required and are committed to the provision of a free and appropriate public education, regardless of the child's disability. Many children with disabilities are not found to receive and address their needs until they reach school age. These children may not be visible as a part of the mainstream community, such as children of homeless families or migrant families. Also, unidentified children with disabilities are often preschoolers. Parents may not be aware their child has a disability or that there are programs and services available.

Lakota Local Schools is interested in meeting the needs of children with disabilities. If you have or know of a child who may have a disability, please contact Pam Bibler, who is the Special Education Supervisor at Lakota at 419-986-6650 or pbibler@lakotaschools.org.

RELATIONSHIPS, RESPONSIBILITY & RESPECT PRESENTATION

WHO SHOULD ATTEND: All Sandusky County Residents - Families are Welcome
WHAT: "Relationships, Responsibility, & Respect"
Presented by National Speaker Team: Teacher Donna Porter & Former Student DJ Batiste

SUBSTITUTE BUS DRIVERS NEEDED

Lakota Local Schools needs substitute bus drivers. This would require a valid School Bus CDL. For further information, please contact Mr. Tim Kern, Lakota Transportation Supervisor at 419-986-5558.

WATER LEAD & COPPER RESULTS

The Lakota Local Schools Drinking Water Lead and Copper Results Reports for 2018 are now available. You may view this at www.lakotaschools.org.

LAKOTA HIGH SCHOOL UNIFORM CAMPAIGN

All donations at the Quarter Note level or above will be permanently recognized on a wall plaque displayed outside of the Lakota High School Band Room. All donations are tax deductible.

WE ARE GROWING!!!!!!

Check this out!!!! The Lakota band is growing in number each year. In fact, this year alone we are expecting at least 10 more members compared to last year. With the increased number of members we find ourselves to have the BEST PROBLEM EVER...we need more uniforms!

The new uniforms cost approximately \$400 each. In order to fit for the EXPANDED number of band students and to prepare for future growth, we will be purchasing 25 Uniforms and hats. The Lakota Music Boosters have begun raising funds and will continue to do so. The goal of the uniform campaign is to raise \$10,000.

The current band uniforms were first featured in the 2016 football season. These uniforms came as a result of hard work from parents, students and through the generous donations of many community members and

MINI CHEER NIGHT FOOTBALL INFO

Lakota cheerleaders are busy preparing for their competitions and are also excited for a spectacular fall season! Mini cheer night is September 14!! Come join in our fun!!! We will have a table set up during **Open House on August 16th** that you can register your child. The cost is \$20 for registration (includes a T-shirt) and \$10 more if you would like a tutu. PLEASE PAY IN CASH! We are selling Pop sockets this year for our fundraiser. They stick on your phones and the price is \$5.00 for each of them. We will have them for sale at the Open House. Go Raiders!!

businesses. Thanks to the care with which our uniforms have been handled by the students, directors and parents, the uniforms still look awesome!

Lakota's band uniforms have always combined the best of current trends, while maintaining a style that looks good throughout the life of the uniform. Our current uniform design maintains that tradition! These uniforms provide a contemporary and exciting look for the band!

Your donation will help the LHS band to continue to represent Lakota as it always has... with PRIDE!

Under the direction of Mrs. Stephanie Brower, the Lakota Raider Marching Band has appeared at many local events, such as: Bradner Day in the Park, Carey Festival, Multiple local parades, Elmwood's Showcase of Bands, Genoa's Homecoming, Cedar Point, The Country Music Hall of Fame in Nashville, TN, Toledo Walleye and Fifth Third Field and at Quicken Loans Arena in Cleveland.

Thank you, thank you for your donation to this amazing program!

Levels of Support:

- Eighth Note - \$10-\$99** - Letter Of Appreciation
- Quarter Note - \$100-\$249** - Certificate Of Appreciation
- Half Note - \$250-\$499** - Framed Certificate Of Appreciation
- Whole Note - \$500-Up** - Picture of the band in the new uniforms mounted on an engraved plaque

Lakota Local Schools is an equal opportunity employer.

Mission Statement:

The Lakota Local School District, as a unified learning community, is dedicated to graduating students who are life-long learners and productive citizens in an ever-changing society.

OPEN HOUSE

Thursday, August 16
 New families to Lakota
 3:00-4:00 p.m.

General Open House
 4:00-6:00 p.m.

PUBLIC NOTICE

Parents and eligible students may refuse to allow the Board to disclose any or all of "directory information" upon written notification to the Board within 15 days after receipt of this annual public notice.

EMERGENCY MEDICAL INFORMATION

Please remember to notify the school of any updates/changes to your child's emergency medical information (i.e. home/work phone numbers, physician name/phone number, student's medical condition, etc.) It is vital for your child's safety that there is current information on file when needed.

FBI/BCI FINGERPRINT CHECKS

Lakota Local Schools now has the capability to do FBI/BCI fingerprint checks. If you would like to use this service, please call the Board Office at 419-986-6650 for an appointment.
