

Snowmen at Christmas

Thursday, December 6, 2018
7:00 p.m.
Auditeria

Dear Parents and Guardians,

The third grade students will be presenting their Winter program “Snowmen at Christmas” on Thursday, December 6, 2018 at 7:00 p.m. in the Auditeria. Our program is based on the stories by Caralyn Buehner “Snowmen at Christmas” and “Snowmen at Night.”

Each student should dress like a snowman. Students should wear dark pants (black preferred) and a plain long-sleeved white shirt. The students can then create the rest of their costume. The snowmen can be original with a black hat, carrot nose, scarf, gloves, and three black buttons or based on a theme (cowboy, cook, artist). Looking through the story book will give you many ideas. You may also find pictures of the book on Google. **Keep it simple!!! The students will need to be able to move and play instruments.**

Volunteers are needed to help with decorating the Auditeria December 3rd after school and to fold programs at home. If you are able to help, please return the bottom portion of the letter.

We look forward to sharing our program with you!
