Who: Students finishing Kindergarten, 1st, 2nd or 3rd grade.

When: June 10 - August 2, 2019

What: The purpose of our club is for your child to continue using the reading skills they have learned during the school year. As your child keeps reading through the summer, they will gain confidence in their ability and get a chance to read fiction as well as non-fiction books. Please read about the two ways your child can participate this summer.

Online Reading club... Lakota is using www.kidsa-z.com for the online readers. This website also has an application to download on your Tablet. Each student will have over 24 books to pick from at their specific level. After reading each book, students will take a quiz to check for understanding. As each task is completed, the students earn stars. The stars can be used to customize their own robot or buy items to fill their empty rocket room. The Lakota teachers will monitor their progress and be able to offer words of encouragement. Lakota pays for this subscription and will be providing you with the log-on information and specific directions before the end of the school year.

Paper Book club... If you do not have internet access available to you, choosing paper books is a good option. The starting book level will be determined by information from their homeroom teacher. Your child will bring home 8 books along with a comprehension packet. The directions help the adult to guide their child through the activities. Some packets include games, writing activities and vocabulary skills. The reading packet will be sent home at the end of May.

The Lakota Staff asks that if you decide to participate in the Raider Reading Club, you honor your commitment and schedule time for reading through the week. Students may want to see a visual progress chart that shows their effort. A few charts will be sent home with your reading information. Your devotion to reading will bring great success!

We will celebrate on August 12th with an ice cream sundae party!

Hope to see you at 11:00 a.m. on Monday the 12th!
